

Hattie's Fancy Floral Mini Quilt Workshop
Presented by: Marquetta Johnson- Teaching Artist

Join nationally acclaimed Quilter and Textile Artist, Marquetta Johnson as she shares techniques from Hattie's Secret Garden- a compilation of quilting techniques taught to her by her grandmother, Hattie Battle Miles. Using her grandmother's simple applique techniques, Marquetta guides the class through the development of a Fancy Floral Mini-Quilt, embellished with beads, buttons, spangles and big stitches. Participants will develop a colorful background, learn to make beaded yo-yos, begin the process of appliqueing a floral arrangement onto the quilt and finally, hand quilting the quilt.

Students are asked to bring:

Small piece of green cotton fabric

A few fat quarters of assorted brightly colored printed cotton fabrics

Low-loft Polyester Batting

Assorted colors of seed beads and buttons

25- 1" Safety Pins

All other materials provided by the instructor.
